History of Navarro College

Navarro College was founded in 1946 by a group of local citizens committed to furthering the educational opportunities of the local community. The first students began classes in September, 1946, on the site of the former Air Activities of Texas Flight School located six miles south of Corsicana.

In 1951, the campus was moved to its present location, which currently includes 117 acres, 13 academic buildings, and 24 student housing units.

In an attempt to address the growing needs of its service area, which consists of Navarro, Ellis, Freestone, Limestone, and Leon counties, the college began offering courses in various locations within those areas and eventually established four permanent centers, Navarro College South at Mexia, located in Limestone County, Career and Technical Center at Fairfield, located in Freestone County, the Waxahachie Campus at Waxahachie, and the Midlothian Campus at Midlothian, both located in Ellis County.

Navarro College has had six presidents: Mr. Ray Waller, Dr. Ben Jones, Dr. Kenneth Walker, Dr. Gerald Burson, Dr. Richard Sanchez, and, presently, Dr. Barbara R. Kavalier.

NOTE: Due to the large attendance at commencement, three ceremonies have been planned. At the 10:00 a.m. ceremony in Corsicana, students who have earned an Associate in Arts, Associate in Arts Teaching, or Associate in Science Degree will participate in commencement. At the 2:00 p.m. ceremony, students earning the Associate in Applied Science Degree and Certificate of Completion will be recognized. A third ceremony on Saturday at 1:00 p.m. in Midlothian will recognize graduates from Ellis County.

The Navarro College Board of Trustees, administration, and staff desire that all attendees at commencement have ample and comfortable seating. Overflow seating will be available at the Corsicana graduations in Dawson Auditorium, where graduation will be viewed through a closed-circuit broadcast.
COMMENCEMENT PROGRAM
CORSICANA
May 9, 2014 · 10:00 a.m.

Procesional
“Pomp and Circumstance”
Navarro College Band
Mr. Jerry Whorton, Band Director

Welcome
Dr. Harold L. Housley, Vice President of Academic Affairs

Special thanks goes to Guy Featherston, Dean of the Midlothian Campus, for announcing the names and honors of each graduate at this year’s commencement ceremonies.
Byron Cook was elected to the Texas House of Representatives in 2002 and is honored to represent the hard-working citizens of House District 8, which includes Anderson, Freestone, Hill, and Navarro counties.

At the beginning of the 83rd Legislative Session, Representative Cook was re-appointed chair of the House Committee on State Affairs. This committee has a diverse and broad jurisdiction over a myriad of critical issues to the state including: right to life issues, utility regulation, the management of state agencies, immigration, and the administration of state government. Cook also continues to serve on the House Calendars Committee.

Cook recently completed serving six years on the Sunset Advisory Commission, which is a 12-member body responsible for the periodic review of the functionality and efficiency of state agencies.

In past legislative sessions, Cook was designated to serve as chair of the House Committee on Environmental Regulation and the House Committee on Civil Practices. He was also named as the vice-chair of the Local and Consent Calendars Committee and a member of the committees on State Affairs and Calendars.

Representative Cook is a businessman and rancher. He and his wife Kay live in Corsicana and have two daughters. Their youngest daughter is a sophomore at Texas A&M University and their oldest daughter, a graduate of Texas A&M University, is married and has a son and a daughter.
Congressman Joe Barton
Texas Sixth District

Congressman Joe Barton was first elected to serve the Sixth District of Texas in 1984. He is the Chairman Emeritus and the most senior Republican on the House Energy and Commerce Committee, which has jurisdiction over energy, public health, commerce, trade, telecommunications, and other marketplace interests.

Barton has committed himself to passing energy legislation that promotes high supply, low demand, consumer-friendly prices while ensuring environmental protection. His efforts to develop comprehensive national energy legislation led to the passage and enactment of the Energy Policy Act of 2005, which is the last major piece of energy legislation to pass through Congress and become law.

A founding co-chairman of the Congressional Privacy Caucus, he continues to work to preserve the financial and medical privacy of Americans and has promoted safety and privacy in the ever-expanding Internet universe. He remains committed to improving the way medical research is conducted at the federal level and ensuring adequate funding is provided.

Barton remains among the steadfast House leaders on tax reform through the promotion of lower taxes and financial freedom, and he continues to fight for the basic traditional rights put forth by our Founding Fathers.

Joe Barton was born on September 15, 1949, in Waco, Texas. He attended Texas A&M University, where he was the outstanding industrial engineering student for the Class of 1972, and went on to earn a Master of Science degree in Industrial Administration from Purdue University. In 1981, he was selected for the prestigious White House Fellows Program and served as an aide to then-Energy Secretary James B. Edwards.

Barton and his wife, Terri, live in Ennis. He has four children, two stepchildren, and five grandchildren.

The listing of graduates is based upon information provided prior to printing of the program. The appearance or absence of any name in the program does not constitute recognition or denial of completion of degree requirements nor the conferring of honors.

The program is issued as a ceremonial publication and is not an official record of graduates. The awarding of degrees will be based on the outcome of final examinations and final grades. The College apologizes for any errors or omissions.
Significance of the Colors of the Academic Regalia Worn by the Faculty and Administration of Navarro College

The color of the velvet edging of the hood indicates the degree, and the color of the lining indicates the college colors of the institution that conferred the degree.

The hood for the Master of Arts displays a white velvet edging; the Master of Science, a gold edging; the Doctor of Divinity and Doctor of Theology, a scarlet fringe; the Doctor of Laws, purple; the Doctor of Philosophy and Doctor of Psychology, blue; the Doctor of Literature, white; and the Doctor of Education and Specialist in Education, light blue.

Significance of the Medals Worn by the Faculty of Navarro College

Faculty members wearing pewter medallions have been presented with the National Institute for Staff and Organizational Development (NISOD) teaching excellence award. Faculty members are nominated for this honor by their peers based on their dedication to the teaching profession.

Significance of the Navarro College Seal

The Navarro College seal is the official symbol of the institution. It is round to represent the perpetual search for “Wisdom,” “Truth,” and “Knowledge,” the three Greek words inscribed on the seal. In the center of the seal stand the “Doors of Opportunity” which welcomes all students who seek to join the tradition of excellence. Since it was chartered in 1946, the doors have been the hallmark of Navarro College.

Significance of the White Tassels

The white tassels signify those students who have successfully completed the requirements of the Honors Program, including a minimum 3.25 GPA, completion of honors courses, and 15 hours of community service.

Significance of the Veterans Cord

Navarro College recognizes graduating veterans by inviting them to wear red, white and blue cords as a special form of recognition for their service to our country. The cord signifies the appreciation Navarro College has for our military and veteran students for their commitment, selfless service, and sacrifice.
Significance of the Regalia Worn By the Navarro College Graduates

**Phi Theta Kappa**
Students who have earned a 3.5 or better grade-point average are invited to join the Phi Theta Kappa International Honor Society for community colleges. The three ideals represented by Phi Theta Kappa are three Greek words meaning wisdom, aspiration, and purity. The symbols shown on the stoles worn by the graduates convey the three ideals.

**Psi Beta**
Students who have earned an overall grade-point average of 3.5 or better and who have successfully earned a “B” or better in a psychology class are invited to join Psi Beta, the National Honor Society in Psychology for community colleges. The gold medallions worn by the students have the Psi Beta seal and are suspended from a wide royal blue and gold 32-inch neck ribbon. The honor cords are double gold ropes with royal blue and gold tassels. The royal blue and golden yellow colors of Psi Beta represent wisdom, truth, science, and research.

**Sigma Kappa Delta**
Students who have earned a grade-point average of 3.5 or better with a “B” average in English are invited to join the Sigma Kappa Delta English Honor Society. Students with green and gold honor cords represent Sigma Kappa Delta. The motto of Sigma Kappa Delta is “Sincerity, Knowledge, and Design.”

**Summa Cum Laude, Magna Cum Laude and Cum Laude Honors**

**Summa Cum Laude**
Summa Cum Laude is an honor bestowed upon students receiving associate degrees who have compiled a perfect academic record. To graduate summa cum laude, a student must have achieved a 4.0 grade-point average on all work attempted at Navarro College and other post-secondary institutions attended.

**Magna Cum Laude**
Magna Cum Laude is an honor bestowed upon students receiving associate degrees who have compiled an almost perfect academic record. To graduate magna cum laude, a student must have achieved a 3.50 grade-point average on all work attempted at Navarro College and other post-secondary institutions attended and have no grade lower than “C.”

**Cum Laude**
Cum Laude is an honor bestowed upon students receiving associate degrees who have compiled a superior academic record. To graduate cum laude, a student must have achieved a 3.25 grade-point average on all work attempted at Navarro College and other post-secondary institutions attended and have no grade lower than “C.”

ALMA MATER

Hail Navarro, Hail Navarro
Loyal sons are we.
Hail to thee, our Alma Mater,
Hail, all hail to thee.
Lift your voices, sing her praises,
Cheer for victory;
Honor to thee, proud Navarro.
Glory now to thee.

FIGHT SONG

Fight on you Bulldogs, fight till you win,
fight on to victory. We’ll back the red and white
and our men with loyalty.
Let’s give a cheer and make echoes ring,
let’s yell, yell with all our might.
The vic’try is sealed; our team never yields,
Bulldogs fight, fight, fight.
B-U-L-L-D-O-G-S! GO BULLDOGS!
