STEP THREE: BEGIN GATHERING DOCUMENTATION REQUIRED FOR ADMISSION

Immediately begin working on completing the following immunization requirements and/or gathering documented proof of immunizations.

Mail or hand deliver copies to the same address listed above. Documentation is due on application deadline.

A. Two immunizations for Measles/Mumps/Rubella (MMR), or a Positive Antibody Titer showing immunity to all three.
B. Two immunizations for Varicella (Chickenpox), or a Positive Antibody Titer.
C. Proof of one dose of Tdap—If no record then you will need to receive Tdap. If Tdap was administered > 10 years ago, you will need Td booster. Td booster is required every ten years thereafter.
D. One Influenza injection to cover flu season then again fall of the admission year. (Will be repeated annually, in fall for clinical).
E. Proof of a complete hepB vaccine series, or a Positive Antibody Titer. (Series takes 6 months so start NOW). Must show completion of dose #1 & #2 by application deadline. Dose #3 must be completed one week prior to program orientation day.

WHAT HAPPENS NEXT?

• Once you have completed Steps 1 & 2, the ADN program will submit your name to the Texas Board of Nursing (TxBON) as a qualified applicant. The TxBON will submit your name to IdentoGO (fingerprinting agency). You should receive a link to register for fingerprints. Do NOT register for fingerprints until you are offered admission.
• Faculty will meet, in order to rank all qualified applicants. Offers of admission will be sent out by March 1, 2020.
• Admission letters will include important information regarding important next steps which will include:
  o Registering for Fingerprints
  o Submission of blue card sent to you by the TxBON, or other required TxBON documentation
  o Registration for drug screening
  o Proof of American Heart Association Basic Life Support (BLS) Provider CPR. (Do not complete this step before May 2020).
  o Proof of Tb skin test. (Do not complete this step before May 2020).

  o Proof of Health Insurance

Navarro College does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs or activities.
WHAT CAN I EXPECT WITH THE TEAS TEST?

The ATI TEAS (Test of Essential Academic Skills) is designed specifically to assess a student’s preparedness entering the health science fields. Most likely, you’ve been asked to take the TEAS as part of your basic admissions requirements for nursing or allied health school. That’s because studies show a consistent link between a student’s performance on the TEAS and future academic success.

*Students applying for the Navarro College ADN program MUST pass Reading Comprehension with minimum of 72.4 points, Math with 68.6 points, and Science with 57.2 points, to be eligible for admission.

Students may take the TEAS test twice during each application cycle- March 1, 2019 through Application deadline for 2020 admission. Only one set of scores will be accepted.
