

Navarro College
Bulldog Booster Club
2016-17

Bulldog Fans,

As we begin preparations for the start of the 2016-17 Navarro College Bulldog seasons, we would like to introduce you to a new opportunity to help support the Bulldog Football and Basketball programs. We have implemented the Bulldog Booster Club that is designed to help raise funds that will supplement our operating budgets. All monies raised through the Bulldog Booster Club will be used specifically for our football and basketball programs to help with equipment purchases, uniforms, facility upgrades and other items that directly benefit the student-athletes in our programs.

We currently have several levels of membership that an individual or business can choose to participate in. Each of the membership levels and their benefits are described below:

Bulldog Backer (\$ 100 per year)

Includes listing in the Bulldog Booster Club membership on all game day programs, two general admission season passes to football and basketball games and two Bulldog Booster Club hats or visors.

Big Red (\$ 500 per year)

Includes 4' x 3' advertising sign on the gym wall in the Special Events Center or at Tiger Stadium, listing in the Bulldog Booster Club membership on all game day programs, special recognition at one football or basketball game, 4 general admission season passes and four Bulldog Booster Club hats.

Big Dawg (\$800+ per year)

Includes 4' x 3' advertising sign on the gym wall in the Special Events Center and at Tiger Stadium, company logo on all game day programs, special recognition at one football and one basketball game, 8 season passes for football and basketball games and four Bulldog Booster Club hats.
