Paramedic Everyday Class

October 2019 - May 2019 | Monday - Friday

ORIENTATION MANDATORY (Dates TBA)

Navarro College EMS Paramedic Program Goal:

To prepare competent entry-level Paramedics in the cognitive (knowledge), psychomotor (skills), and affective (behavior) learning domains with or without exit points at the Advanced Emergency Medical Technician and/or Emergency Medical Technician, and/or Emergency Medical Responder levels.

Flexibility - Daytime programs begin every fall and spring semester.

Expertise - Navarro College uses instructors who are experts in their field. Instructors are members of the Navarro College family and include full-time and adjunct faculty. All are experienced paramedics either currently employed or retired. Each instructor is interviewed and chosen based on their knowledge, command of subject matter and instructor certification.

Resources - Navarro College has the ability to provide all necessary resources to help make a class successful. New computers, textbooks, curriculum, and other instructional equipment are available to help ensure the highest quality instruction.

College Credit - All classes are academic classes and students finish with 34 credit hours.

Degree - Paramedic Certificate hours apply to the AAS Paramedic Degree.

Pre-Requisites - Must have current TXDSHS EMT Basic Certification; be TSI Complete; CPR-Healthcare (current through duration of program); and successfully completed Anatomy & Physiology (BIOL 2401/2404) or be enrolled for the first semester beginning the Paramedic program.

Tuition - \$5,000.00 (approximately) – Tuition is based on out-of-district rates. If you live in-district (Navarro County) tuition may be less. Malpractice insurance included.

Navarro College EMS Paramedic Program Results 2015-2017

Paramedic Retention Rate = 87.5%
Paramedic Positive Job Placement Rate = 97%
National Registry Paramedic Written Success Rate = 88%
National Registry Paramedic Practical Success Rate = 99%
Paramedic Comprehensive Final Success Rate = 100%
Paramedic Practical Final Success Rate = 100%
