OUT-OF-DISTRICT DUAL CREDIT	
TUITION	FEES (LAB/COURSE FEES & OTHER FEES)
51% of Out-of-District Tuition/Fees	Discount not applicable on lab/course fees and other fees

TUITION AND FEES DESCRIPTION

Tuition – Tuition covers operational costs for instruction, academic support, research, student services, scholarships, facilities and institutional support services. Tuition rates are based on a student's residency: Navarro County (In-District), Texas Residents Outside Navarro County (Out of District), and Non-Texas Residents (Out of State). Tuition is calculated per semester credit hour.

Navarro County Residents – Navarro County Residents are students enrolling at Navarro College who have lived in Navarro County for at least one year with the intent of establishing permanent residence. Navarro County is the only tax paying district in Navarro College's service area and residents are charged In-District tuition rates. In-District tuition rates are calculated per semester credit hour.

Texas Residents Outside Navarro County – Texas Residents Outside Navarro County are students enrolling at Navarro College who are Texas residents for the past 12 months outside of Navarro County. Texas Residents Outside Navarro County will be charged Out of District tuition to cover operational costs for instruction, academic support, research, student services, scholarships, facilities and institutional support services. Out of District tuition rates are calculated per semester credit hour.

Non-Texas Residents – Non-Texas Residents are students enrolling at Navarro College who have not lived in Texas for the past 12 months. Non-Texas Residents will be charged Out of State tuition to cover operational costs for instruction, academic support, research, student services, scholarships, facilities and institutional support services. Out of State tuition rates are calculated per semester credit hour.

Matriculation Fee – The matriculation fee supports academic advising, counseling services, registration, academic support services such as tutoring and library services, and the cost of participation in Commencement Ceremonies. The matriculation fee is calculated as a flat fee per term.

Building Use Fee – The building use fee supports the cost to construct, repair, maintain, operate and improve facilities and physical infrastructure of the College including classrooms, libraries, learning commons, computer labs, etc. The building use fee is calculated per semester credit hour.

Vehicle Registration – The vehicle registration fee is used to repair Navarro College's parking lots and enhance security on campus. The vehicle registration fee is calculated as a flat fee per term.

Technology Fee - The technology fee helps fund upgrades for classroom equipment, equipment needs for Information Technology Services, infrastructure for online platforms (Canvas, MyNC, Office 365, Self-Service, etc.), computer labs and instructional labs. The technology fee is calculated per semester credit hour.

Out of District Fee – The Out of District fee is for students who reside outside Navarro County and supports operational costs for instruction, academic support, research, student services, scholarships, facilities and institutional support services. The Out of District fee is calculated per semester credit hour.

Lab/Course Fees - Certain programs or majors (Health Professions, Cosmetology, Emergency Medical Services, etc.) may assess specific fees in order to offset associated costs, such as lab fees or tool kit fees. Some courses will have additional fees due to unique costs associated with that course. Additional fees are noted in individual course descriptions.

Other Fees – The other fees are to support specific services outside of tuition and lab/course fees.
