FORWARD

The policies and regulations contained herein are given the effect of law by Senate Bill 162, 60th Legislature, 1967, of which Section 2 is quoted in part below:

“Each governing board of the State institutions of higher education of this state is hereby authorized to promulgate rules and regulations for the safety and welfare of students, employees, and property and such other rules and regulations as may be deemed necessary to carry out the provisions of this Act and the governance of the respective instructions, providing for the operation and parking of vehicles upon the grounds, streets, drives, and alleys or another institutional property under its control.”

SECTION D – The operation of motor vehicles on the premises of Navarro College will be restricted to campus drives and parking lots unless special permission is granted by the Navarro College Department of Public Safety for a specific purpose.

SECTION E – Citations received for any violation stated herein could result in the loss of driving privileges on the premises of Navarro College unless the fines are paid within ten days, excluding holidays, weekends, and appeal processes.

SECTION F – Registration is for one (1) academic calendar year, beginning with the first official class day of the fall semester.

SECTION G – Vehicles may be registered during regular class registration at the registrant’s respective campus. Faculty and staff members may register vehicles via the employee intranet system. Employees, students, and visitors shall register their vehicles at one the following locations:

SECTION D – All of the above permits become void on the effective date of any status change of the individual if the new status is not eligible for the original-type permit issue.

SECTION E – Temporary parking permits are issued to campus visitors as well as students, faculty, and staff members who temporarily utilize a vehicle not registered with Navarro College.

A visitor shall be defined as anyone who has no affiliation, association, or relationship with Navarro College as a student, faculty member, or employee, or as determined by the Chief of Campus Police.

SECTION B – Department heads may request visitor permits from the Business or Registrar’s Office of their respective campus and dispense the permits to the people involved in short-term visits to the College for events such as meetings and seminars. A list should be forwarded to the Registrar’s Office showing the course, estimated number attending, and inclusive dates at least one week prior to the beginning of the short-term visit.

Persons who have either a handicapped placard or license plates may park in any parking space designated for handicapped vehicle parking.

**ARTICLE 9: PERMIT ASSIGNMENT AND ENFORCEMENTS**

Traffic and parking regulations are enforced whenever Navarro College DPS officers are present on campus and on duty. The purchase or issuance of a motor vehicle registration permit does not guarantee a parking space on the premises of Navarro College, nor does the absence of a parking space or inclement weather constitute a valid justification for violation of traffic and parking regulations. The mere fact that citations are not issued for an offense does not indicate that the regulations have been modified excluding that offense.

**ARTICLE 10: SPECIAL OCCASIONS AND EMERGENCIES**

On special occasions and in emergencies, parking and traffic limitations may be imposed by an officer of the Navarro College Department of Public Safety or an employee of the Navarro College Physical Plant, as required by conditions that prevail.
