

# A.A.S. IN MULTIMEDIA TECHNOLOGY

**PROGRAM INFORMATION:** This curriculum is designed to help prepare students for immediate employment in the field of multimedia technology. Students will receive job specific training in web design, graphic design, computer 2-D and 3-D image creation, traditional and digital video and video editing, digital photography, instructional and interface design, computer animation and multimedia authoring. Upon successful completion of the two-year curriculum, students will receive the Associate in Applied Science Degree.

**Tech Prep:** Articulated credit may be available for some courses students complete while in high school. See the Tech Prep director for more information.
