Succeeding  
together.

# Dual Credit Enrollment Limits

Each student can take no more than two courses per semester.

Exception to the rule:

Student must have principal's approval, college approval and a strong academic record to exceed two courses per semester.

Succeeding  
together.

# Dual Credit Quick Facts

- Students can receive college credit as well as high school credit.
- After graduating from high school, a student can begin his or her college career with experience.
- It saves time by allowing students to graduate from college sooner.
- It saves money by completing the courses at a two year school.
- College credit on a resume helps students stand out.
- Students entering the military may be eligible for promotion and pay raises.
- Career & Technical courses can verify work skills.

It's good to ask yourself...

*Can I commit to Dual Credit?*

*Do I have a desire to put in the time and effort?*

Poor grades and withdrawals remain on college transcripts.
