Future Scarlettes,

Thank you for your interest in the Navarro College Scarlettes. We are excited to be going into our second year as a collegiate dance squad. This is to inform you of tryout dates we will be having for the 2013-2014 school year. If you are interested in dancing at the collegiate level, this is a great opportunity for you to do so in an environment that does not have the rigors of other college dance teams yet still encourages the passion and art of dance.

In the short time of the team our ladies have performed at several functions in Central Texas, the Corsicana surroundings, football games, basketball games, and other special events including the Heart of Texas College Bowl Game. The Scarlettes emphasis is mainly a combination of jazz and hip hop.

Tryouts are typical of many (kick, jazz, hip hop, and technique) and there is no limit to the amount of dancers that make it. Unfortunately since the team is in its infancy, there is no monetary compensation; however the total cost for this year was less than $1000 per student (with many of the ladies being able to receive financial aid to help alleviate the cost). In addition, we will be having several fundraisers to offset the cost of uniforms, etc. If you or any of your team members have any questions please don’t hesitate to contact me at (903) 875-7570 or orlandrus.kelly@navarrocollege.edu.
