

Career and Technical Education Opportunities

Navarro College

Annual Public Notice of Career and Technical Education Opportunities

Navarro College annually provides public notification, prior to the beginning of each school year, of career and technical education opportunities available through the College. This notice is provided for students, parents/guardians, employees, and the general public. Navarro College offers career and technical education programs designed to prepare students for employment in high-skill, high-wage, and high-demand occupations. Career and technical education opportunities are available in the following areas:

Categorized CTE Program List

Program Area	Programs / Opportunities
Business, Technology, and Legal Studies	• Accounting • Business Administration • Business Information Technology • Computer Information Technology • Hospitality Management • John Deere – Agricultural Mechanization • Paralegal Studies
Industrial and Skilled Trades	• Welding Technology • Industrial Maintenance Technology • Manufacturing Technology
Health Professions	• Associate Degree Nursing (ADN) • Licensed Vocational Nursing (LVN) • Medical Laboratory Technology (MLT) • Occupational Therapy Assistant (OTA) • Physical Therapist Assistant (PTA) • Emergency Medical Services (EMS) • Additional healthcare certificate and workforce training opportunities as available
Public Safety	• Criminal Justice • Police Academy • Fire Protection Technology • Emergency Medical Services (EMS)
Personal Services	• Cosmetology

These programs provide students with industry-relevant instruction, hands-on learning experiences, and pathways to professional licensure, certification, employment, and continued education. Program availability may vary by location and academic year. Information regarding specific degree plans, certificates, admissions requirements, and program availability is available in the Navarro College catalog posted on the [Navarro College website](#).

Admissions Criteria

Admission to Navarro College career and technical education programs is open to eligible students who meet the College's general admissions requirements and any applicable program-specific requirements. Some programs may include additional criteria such as prerequisite coursework, minimum academic standards, application deadlines, space availability, clinical or practicum placement requirements, background checks, drug screening, immunization requirements, licensure or certification eligibility requirements, or other published program standards. Students should consult the appropriate program information, or College and Career Success Coach for current admissions requirements and program availability.

Language Access and Participation

Navarro College ensures that lack of English language proficiency is not a barrier to admission or participation in career and technical education programs. Navarro College will disseminate this notice in appropriate languages, as needed, to communities of national-origin minority persons with limited English proficiency and will make the notice available in accessible formats upon request for individuals with disabilities.
