Navarro College
Occupational Therapy Assistant Program

Welcome

Dear Applicant,

Thank you for your interest in occupational therapy as a career and the Occupational Therapy Assistant Program at Navarro College. We appreciate your interest and look forward to serving your educational needs.

The material included in this packet will describe the admissions process to the Navarro College Occupational Therapy Assistant Program and contains all the forms needed for application to the program.

The 22-month program leads to an Associate in Applied Science Degree (A.A.S. O.T.A) and prepares the graduate to take the National Board for Certification in Occupational Therapy (NBCOT) national examination to become a certified occupational therapy assistant (COTA). Graduates must meet additional requirements for state licensure.

Admission to the OTA Program is a separate procedure from admission to Navarro College. **Applicants must meet all admission criteria for Navarro College before submitting an application to the OTA Program.** Positions in this program are limited. Admission decisions will be based upon the applicant's ranking through a point system.

Applications will be accepted beginning November 1st, 2019 and must be postmarked no later than April 1st, 2020.

If you have questions about the occupational therapy assistant program or the admissions process, please contact Ms. Jeanette Krajca at (972) 775-7284 or email jeanette.krajca@navarrocollege.edu. We look forward to working with you.

Sincerely,

Occupational Therapy Assistant Program Faculty

General Information

ACCREDITATION

The curriculum is designed to meet the standards of the Accreditation Council for Occupational Therapy Education (ACOTE). The Navarro College Occupational Therapy Assistant Program has been granted **Accreditation** by the Accreditation Council for Occupational Therapy Education (ACOTE). ACOTE can be contacted at: Accreditation Council for Occupational Therapy Education, c/o Accreditation Department, American Occupational Therapy Association, 4720 Montgomery Lane, Suite 200, Bethesda, MD 20814-3449, Phone: (301) 652-2682 (AOTA). The website for ACOTE is www.acoteonline.org.

LOCATION

Occupational therapy courses are offered on the Corsicana campus and the Midlothian campus of Navarro College. Students are assigned to a home campus upon admission to the program. OTA courses are offered in hybrid format with a portion of the courses completed via distance education. Many students commute significant distances to attend classes. Travel distances are considered by faculty members in the development of course schedules each semester, but students should consider individual travel time requirements prior to applying to the program.

ADMISSION

A new class is admitted into the Occupational Therapy Assistant Program each summer. The program typically accepts 36 students to begin the summer session on both the Corsicana and Midlothian campuses (72 total). Current dates for admission can be found in this packet and on the OTA webpage of the Navarro College website. **Late applications or inquiries will not be considered for admission.**

PROGRAM COURSES

OTA courses are offered in a set sequence. Once admitted into the program, the student must progress through the curriculum as designed. This means a student may not “jump ahead” in the curriculum and take advanced occupational therapy courses. Academic courses not completed prior to acceptance into the OTA Program are the student’s responsibility to arrange around OTA courses.

GRADES

The OTA program will follow the Health Professions grading system listed below:

A = 100-90 B = 89-80 C = 79-75 D = 74-60 F = 59-0

Students must earn a “75” or above in all OTA coursework in order to progress in the program. A grade of “C” or better (70 or above) must be obtained in all other academic core courses in the OTA degree plan.

DRESS CODE

Student professional dress is expected for all classroom and clinical activities. Examples are as follows:

- | | |
|----------------------|---|
| Lecture/Lab: | Students may wear black scrubs with the OTA monogram and closed-toe shoes (no heels or boots). The student may also wear the approved OTA t-shirt and/or jacket as permitted by the instructor. Undershirts should be black, red, or white. Hair is to be neat and pulled back for labs. Jewelry is to be simple. Students may also choose to wear the professional dress uniform (stated below). |
| Professional: | Instructors may request that students dress professionally in class at times during the semester. Professional dress includes slacks, the OTA collared shirt (tucked in), belt, and closed-toe shoes (no heels or boots). No denim in any form is allowed. Tattoos are to be covered. |

General Information

CRIMINAL HISTORY BACKGROUND CHECK

The student will obtain a federal background check prior to application to the OTA Program. Additional background checks may be required by fieldwork education sites. Costs associated with all required background checks are the responsibility of the student.

Students cannot participate in lab or fieldwork studies involving clients without a “clear” criminal history background check. Clinical training sites, in accordance with the regulations of the State of Texas and national accreditation agencies, require employees, students, and volunteers who work with children, the elderly, or the disabled to have a “clear” criminal history background check. Agencies vary as to what the definition of “clear” means. The facilities may choose to request additional nationwide and international criminal history background checks. The final decision regarding acceptance of a student for fieldwork training based on previous criminal history rests with each facility.

A student who does not have a clear criminal history record is required to meet with the OTA Program Director prior to admission into the OTA Program to discuss the implication of the criminal record on his/her potential progression in and completion of all requirements of the curriculum. Counseling may include referral to the Texas Board of Occupational Therapy Examiners (TBOTE) and the National Board for Certification in Occupational Therapy (NBCOT). **A felony conviction may affect a graduate’s ability to sit for the National Board for Certification in Occupational Therapy certification examination or attain state licensure.**

IMMUNIZATIONS AND PHYSICAL HEALTH SCREEN

Upon admission to the program, the student is to submit required proof of current immunization status. It is recommended that the student have completed 2/3 of the Hepatitis B series prior to application to the program. Refer to page 11 of the **Application Packet** for a list of required immunizations.

Each student must undergo a physical health examination by a certified health professional **once admitted into the program**. Please note the health examination requires the student to read the “Performance Standards” beforehand, and both the student and the health professional must sign the form indicating the ability to perform as described and/or any limitations which may be present.

The responsibility for maintaining current health testing and immunizations, including costs, are the responsibility of the student.

DRUG SCREEN

Drug screens will occur randomly after acceptance into the program. The student will be responsible for any cost involved in a drug screen. Failure to comply with the drug screen or to pay for the drug screen will result in dismissal from the OTA Program.

PERSONAL HEALTH INSURANCE

Some fieldwork sites may require that students have personal health insurance. Students may be asked to show proof of health insurance prior to fieldwork assignment.

PROFESSIONAL LIABILITY INSURANCE

Students enrolled in the OTA Program are required to have professional liability insurance. Students pay a predetermined fee to the Cashier's office each summer, and the College secures the limited liability insurance coverage. Students may wish to purchase additional liability insurance. **NOTE: The liability insurance that each student will have does not pay for injuries to the student – only for injuries to the patient. The student is completely responsible for personal medical costs incurred while at fieldwork sites. If a patient is injured by the student, the limited liability insurance may or may not cover all legal costs.**

Navarro College is committed to providing a safe and nondiscriminatory employment and educational environment. The College does not discriminate on the basis of race, color, national origin, sex, disability, religion, age veteran status, or other status protected by the law in its programs or activities or in the context of employment. Inquiries regarding non-discrimination may be directed to the Title IX Coordinator or the Section 504/ADA Title II Coordinator at 3200 W. 7th Ave, Corsicana, TX 75110 or 1-800-NAVARRO.

Navarro College
Occupational Therapy Assistant Program

Curriculum Requirements – Revised for 2020

Associate in Applied Science

The Occupational Therapy Assistant program provides the basic knowledge and skills required of an entry-level occupational therapy assistant into the workforce. Upon satisfactory completion of this curriculum, the student will be awarded an Associate in Applied Science degree and will be eligible to sit for the national certification examination administered by the National Board for Certification in Occupational Therapy (NBCOT) to become a certified occupational therapy assistant (COTA).

Major course requirements (OTHA courses) must be taken in sequential order at the advisement of the program director or program faculty. This means a student may not “jump ahead” in the curriculum and take advanced occupational therapy courses. A grade of “C” or better is required for satisfactory completion of all courses, including academic core courses. Refer to the **Navarro College Catalog** for the OTA Degree Plan.

Admission Process

Instructions for applying to the OTA Program

Admission to Navarro College:

The following documents need to be on file with Navarro College **PRIOR TO** application to the OTA Program:

1. College Application for Admission (online)
2. Official Transcripts
 - Beginning students: Official transcript of high school record
 - Transfer students: Official transcripts from other colleges and universities
3. Assessment Scores
 - Students must take a state-approved placement test and submit scores at the time of registration. For questions, please contact the Admissions office.

Application to the OTA program:

The applicant will complete and submit an application portfolio no later than April 1, 2020 for acceptance into classes beginning in the summer. The application portfolio **MUST** contain the following completed items:

1. OTA Application for Admission (only pages 8,9,10)
2. Essay (refer to page 9 for instructions)
3. Copies of transcripts from other colleges/universities previously or currently enrolled - official copy NOT required
4. Complete background check via CastleBranch
 - Go to mycb.castlebranch.com
 - Enter package code **vd89re**
 - Cost of background check = \$36.45

Ranking points will be awarded for courses taken and completed by the end of the first 8 weeks of the spring 2020 semester. No ranking points will be awarded for courses taken after this time.

Bring all documentation to the Midlothian campus of Navarro College, Building 2, #216 OR mail to the following address:

Navarro College
Occupational Therapy Assistant Program
899 Mt. Zion Rd
Midlothian, TX 76065

During the month of April, all complete portfolios will be reviewed. Points will be totaled for each applicant based on the *Applicant Entrance Criteria Worksheet*, which can be found in this packet. The highest total point applicant sets the mark for ranking. Applicants will be numbered in descending order based on point total. If two or more applicants tie for total points, core GPA will be used as a tiebreaker with the higher GPA ranked higher.

Students will be notified in April 2020 as to their status in the OTA Program. **A correct and current email is very important in the notification process.** The applicant must reply within the specified time to assure their position in the program. Students selected for admission into the OTA program will be required to attend a mandatory orientation in May 2020, and classes will begin June 2020.

IMMUNIZATIONS

Navarro College Occupational Therapy Assistant Program

Please have your health care professional review your immunization record/status

Due to the nature of the learning experience and assignments, all OTA students must provide documentation of current immunization status for vaccine-preventable diseases & other testing. Immunizations and testing requirements are based upon recommendations and/or requirements from the following agencies and organizations: (1) fieldwork education sites; (2) Texas Department of Health; (3) Centers for Disease Control; (4) Texas Administrative Code Title 25, Part 1, Chapter 97, Subchapter B, Rule 97.64. The Texas Administrative Code mandates certain immunizations prior to patient contact.

Students who fail to provide appropriate documentation will not be permitted to register for clinical/practicum fieldwork education and must withdraw from the program.

Document must include signature of health care provider and date(s).

Appropriate documentation includes one of the following methods in most cases:

- Copy of official Immunization Record or health care provider immunization forms
- Copy of laboratory (serological) evidence of immunity (titers)

Note: Some clinical agencies may require further documentation/testing or have additional requirements.

Measles, Mumps, Rubella (MMR)

- Evidence of two doses OR TITER (serological evidence of immunity). There must be 30 days or more between the two doses.

Hepatitis B (Hep B)

- Evidence of three doses or TITER (serological evidence of immunity). The series typically takes 6 months to complete.

Tetanus/Diphtheria/Pertussis (Tdap)

- Evidence of current Tdap vaccine (within 10 years) through anticipated completion of Level II fieldwork.

Varicella

- Evidence of two doses or TITER (serological evidence of immunity).

Tuberculosis Skin Test (TB)

- Required annually. If a chest x-ray is necessary, the student must document a negative chest x-ray within the past two (2) years.

EXCLUSIONS FROM COMPLIANCE are allowable on an individual basis for medical contraindications, reasons of conscience, including a religious belief, and active duty with the armed forces of the United States (Texas Administrative Code). Requests for exclusion will be handled on an individual basis and must be presented in a written request prior to the due date.
