

# Bulldog Health Center Information

## **What type of payment is accepted?**

We accept cash and credit/debit cards.

## **What type of insurance do you take?**

The top 5 most common insurance plans that we accept are:

- Blue Cross and Blue Shield
- United HealthCare
- Aetna
- Amerigroup/Medicaid
- Humana/Medicare

We are not accepting:

- Parkland
- Baylor Scott and White plan

## **What kind of provider will see me?**

The Bulldog Health Center is staffed with nurse practitioners (N.P.) and physician assistants (P.A.). Both N.P.'s and P.A.'s have advanced education and clinical training. They diagnose and treat acute illnesses and chronic diseases, they can order and interpret lab and diagnostic studies, as well as prescribe medication. They are supervised by a medical doctor (M.D.).

## **Who can be seen at the Bulldog Health Center?**

The Bulldog Health Center is open to everyone; however, the primary goal of the center is to care for students, faculty, and staff.

## **Where is the Bulldog Health Center located?**

The center is located adjacent to Gibson Hall. [Click here for a campus map.](#)

Mailing address:

3200 W. 7th Avenue, Suite HC  
Corsicana, TX 75110

## **Do I have to make an appointment or can I walk in and be seen?**

It's preferable to make an appointment by calling 903-875-7670 or schedule online at [www.Navarro-Docs.com](http://www.Navarro-Docs.com). Walk-ins are accepted on a first-come-first-served basis during operating hours. \*If you need a COVID test or have any COVID symptoms, please call ahead for an appointment.

## **When is the Bulldog Health Center Open?**

The health center operates during the Fall and Spring regular semesters.  
Tuesday 1:30 P.M.- 7:00 P.M.

Thursday 1:30 P.M.- 7:00 P.M.

**What types of conditions do you see?**

The Bulldog Health Center is not intended to be used in place of a primary care physician or specialist. You may be referred to the ER, a specialist, or a primary care provider should you require a higher level of care. Typically, we can treat acute problems or general sick patients.

**When should I go to the Emergency Room?**

If you have any of the following symptoms or conditions, go to the ER: chest pain, shortness of breath, profuse bleeding, broken bones, physical or sexual assault, traumatic injury, severe allergic reaction, sudden or progressing abdominal pain, diarrhea, or vomiting over 36 hours, sudden vision change, worsening or new headache, severe pain, high fever (>104 F) or suicidal thoughts.

**Confidentiality and Privacy**

All medical records are confidential. Records are maintained by Medical Associates of Navarro County. We respect student privacy and will not release information to any party without proper written authorization. To request your medical records, contact the Release of Information office at 903-654-6859.

Other Common FAQ's

**Do you offer flu shots?**

We do give flu shots for \$25.

**Do you offer COVID-19 tests?**

**Does the health center offer STI (sexually transmitted infection) treatment and HIV testing?**

Yes, we do treat STI's and can perform HIV testing. Your healthcare information, including test results, will always remain confidential.

**Does the health center offer pregnancy testing? Is the testing anonymous?**

Yes, we do offer this service. Again, your healthcare information is confidential.

**Does the health center offer well-woman checkups? Breast Exam? Pap Smear?**

Currently, we do not provide these services but hope to in the future. This is a wellness service and you may be referred to a primary care clinic or a gynecologist.

**Does the health center offer birth control? Condoms, pills, IUD?**

We will not provide prescription contraceptives or insert IUDs. Patients may be referred to another location in order to receive these services. Condoms are available upon request.

**Do you give allergy shots?**

Due to the nature of administering allergy shots, we cannot provide this service. We do, however, treat seasonal allergies.

**What about other immunizations? (Hep A,B,HPV, etc.)** No, the flu vaccine is all we can provide at this time.

**Does the health center offer onsite lab testing for illnesses such as strep throat or flu?**  
Yes, we can test for these illnesses.
