Board Recognitions

- a. **Acknowledgement of Senator Brian Birdwell**

Chairman Judson stated it was an honor to have Senator Brian Birdwell at Navarro College. He invited Senator Birdwell to join Trustees at the front of the room to be presented with a token of the Board's appreciation. Chairman Judson read the following acknowledgment:

"Navarro College Board of Trustees hereby acknowledges Senator Brian Birdwell for his continuous and ongoing support of Navarro and Ellis Counties as Texas State Senator representing District 22 and for his commitment to the communities, partners and independent school districts that Navarro College serves and most importantly, his dedication to Navarro College faculty, staff, alumni and students. Dated this 21st day of November 2019."

Chairman Judson presented a framed copy of the acknowledgement to Senator Birdwell. Senator Birdwell expressed his appreciation and presented Chairman Judson and Dr. Fegan with a "Challenge Point" in the shape of Texas with a flag on the front and on the back the ten counties with the state senate seal on it. He explained the pin is called a "Challenge Point" because if anyone possessing the same pin challenges another to produce theirs and they don't, they "are buying". If they do answer the challenge by producing their pin, then the challenger must pay.

Dr. Fegan presented Senator Birdwell with several gifts. A canvas photo collage of Navarro College's Bulldog championship teams in addition to a Navarro College ornament for Mrs. Birdwell. Dr. Fegan also presented Senator Birdwell with a Navarro College Bulldog Pride pin. Senator Birdwell expressed his appreciation and his continued support before departing for Granbury.

Board of Trustees Self-Evaluation Process

Dr. Fegan called on Vice Presidents Dr. Carol Hanes and Marcy Ballew to share results from the Board's self-evaluation survey. Ms. Ballew was pleased to report 100% participation in the survey and reviewed the responses. Answers were unanimous on all questions with the exception of three. Mixed responses were received on questions asking "Is the board presided over by the chief executive officer?" "Does the board have a functioning self-evaluation process?" and "Are procedures for CEO succession clear?"

Dr. Hanes stated the responses received provide opportunity for discussion. She stated using the term "chief executive officer" may have been confusing and some may have thought it was referring to the board chairman instead of the district president. Several trustees indicated they found the question confusing as written. Dr. Hanes stated this survey question will be rewritten in future annual self-evaluations to more clearly define the positions. Dr. Hanes continued stating responses to the question regarding a "functioning" self-evaluation process were valid as this was the first time the survey has been used and knowing if it is a "functioning self-evaluation process" has yet to be determined.

Dr. Hanes continued stating the mixed responses to the question regarding CEO succession raised awareness that a written policy is not currently in place in the event of an emergency. She and Vice President Ballew volunteered to research the laws and policies in place at other community colleges and bring back suggestions for the Board's consideration. Chairman Judson stated it's important to have a plan in place and the Board would welcome their research and input.

Dr. Hanes encouraged Trustees to email any other comments or suggestions for questions they feel should have been included. Chairman Judson inquired if this process and discussion will meet SACSCOC's criteria for self-evaluation. Dr. Hanes responded affirmatively stating the discussion will be recorded in the meeting minutes and having plans in place for future evaluations will show a cycle of improvement for SACSCOC purposes.

Consider Action on October 2019 Financial Statement

Ms. Thomas presented the October 2019 financial statement for approval. Budget changes to recognize an increase in ad valorem tax values, cosmetology sales, and a reduction in the Carl Perkins Federal Grant through October 31, 2019 resulted in an increase in the Education & General Fund by \$482,014. Recognition of revenues from a contract

with Pepsi increased the Auxiliary Fund by \$42,000. The 2019-2020 Budget increased \$524,014 for a revised total of \$86,927,591.

Student income less discounts and waivers as of October 31, 2019 has generated \$11,274,355 or 50.82% of 2019-2020's budgeted projections as compared to \$9,466,096 (45.60%) last year at October 31, 2018.
